In response to Steve Mason's letter dated 04/22/2009 requesting justifications as to why this well remain inactive.

XTO Energy Inc. plans to recompleate the Bolack 16 #3 to the Pictured Cliffs since the FC is not currently economical to operate in this well. Since there is an existing PC well in this quarter section, Alice Bolack #14, XTO would like to TA the Bolack 16 #3 until the Alice Bolack #14 becomes uneconomical. At that time the Alice Bolack #14 will be plugged and allow for the recompleation in the Bolack 16 #3 to commence.
