13 Describe Proposed or Completed Operation (clearly state all pertinent details including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths or pertinent markers and sands. Attach the Bond under which the work will performed or provide the Bond No. on file with the BLM/ BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notice shall be filed only after all requirements, including reclamantion, have been completed, and the operator has determined that the site is ready for final inspection.)

Questar Exploration & Production Company plugged and abandoned the Escrito Gallup Unit #20 well on May 30, 2008.

No production equipment was ever on the location.

Per Bob Switzer with the Farmington BLM Field Office, no resloping on the location was required.

The location was ripped and seeded on November 11, 2008.

If you have any questions or concerns, please contact Sarah Boxley at (303) 672-6916.
