Change Proposed TD

13. Describe Proposed or Completed Operation (clearly state all pertinent details including estimated starting date of any proposed work and approximate duration thereof.

If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths or pertinent markers and sands. Attach the Bond under which the work will performed or provide the Bond No. on file with the BLM/ BIA. Required susequet reports shqll be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in anew interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notice shall be filed only after all requirements, including reclamantion, have been completed, and the operator has determined that the site is ready for final inspection.)

We request approval to change the TD of the subject well. The APD was approved with a TD of 3240' TMD. We would like to change the TD to 3340' TMD which is 100' into the PC. A mudlogger will be on location and logs will be sent to the BLM upon completion of the drilling.

Verbal approval has been received from the BLM per phone conversation with Chip Herridan on 1/27/2004.

14. I hereby certify that the foregoing is true and correct.
