SG Interests is requesting an extension for APD approval pertaining to this well (due to expire Nov 18, 2010). The well has not been drilled. SG is currently evaluating other Fruitland wells drilled and completed in the same vicinity. Pending evaluation of these wells, SG wants the option to drill the subject well if economically feasible. No changes have been made in the drilling/completion plan. No changes have occurred in the land status. There has been no ground disturbance.
