Burlington Resources requests permission to extend Production casing depth from the APD approved depth of 7420' to 7524'. Due to the top of Mancos being wet in the area BR would like to mud drill and deepen the Production casing to the top of the Morrison. Cement volumes will be adjusted accordingly. Troy Salyers (BLM) & Charlie Perrin (OCD) were contacted and both concurred that we can proceed with the project.

14. I hereby certify that the foregoing is true and correct.
