ATTN: Will Jones

Dear Mr. Jones,

This referenced down hole commingle order DHC3046 was issued to this well for Chacra/Mesaverde/Dakota. It is no longer intended to complete the Chacra formation. The well will be completed to the Mesaverde and Dakota formations and then commingled. We request to revise DHC3046 to include only the Mesaverde and Dakota formations. Please let me know if you have any questions.

Sincerely,

Peggy Cole
