Dear Mr. Henderson:

We received form C-110, "Certificate of Compliance and Authorization to Transport Oil and Natural Gas" on your #5-E Navajo well in Section 14-15N-10W indicating that you are ready to transport oil from this well.

Mr. White was in our office last week and I informed him at that time that it would also be necessary that a Form C-104 "Request for Allowable" be filed. We have nothing in our file indicating where this well was completed or what its potential is. We will approve Form C-110 upon receipt of a properly executed Form C-104.

Yours very truly
