Dear Mr. Lauth:

On September 23, 1963 we received plugging notices from you pertaining to the Obie Shaw #1-A Santa Fe well, SW 29-16N-6W and the #1-A Fernandez, SW 8-15N-6W. At that time we wrote you asking that you notify us that the pits on these locations had been filled and the locations levelled, in order that we could approve your plugging notices.

We have not had any response to our letter. Will you please advise.

Yours very truly

Emery C. Arnold
