Dear Mr. White:

Since talking to you last Saturday this office has not received Notice from Santa Fe that the plugging bond on your well located in the NW¹/₄ Section 19-16N-9W has been received. Therefore, your Notice of Intention to Drill as submitted cannot be approved and no more drilling operations should be conducted on this location until such time as your bond has been approved.

We also note that you have listed the operator as "White and Gittone". I would like to remind you that the operator designation should be the same on the plugging bond as it is on the Notice of Intention to Drill.

Yours very truly

Supervisor, Dist. #3*
