WELL FILE

Re: Bullseye A #2

Before final approval of the conversion of this well to a water well the following is needed:

- ✓ All sundrys of work done since re-entry
- None Electric logs run.
- Completion report
- Report of work done on conversion (sundry)

All we have in file is your intent to re-enter.
Please submit the above immediately.

If you have any questions, please call.

Thank you,
