Attn: Mr. R. E. Lauth

Re: Walker Bros. Oil Co.
Santa Fe #6
C-7-17N-8W

Dear Mr. Lauth,

In September of 1965 you reported that the above well had been drilled to a total depth of 381' and had twenty feet of 5½" casing cemented. You reported the well was full of heavy mud and would be converted to a water well.

Will you please advise if this conversion was made or do you plan to plug and abandon the well.

Yours very truly,

Emery C. Arnold
Supervisor, Dist. #3
