13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Citation Oil and Gas had proposed to convert the subject well to a producer on July 27, 1993. The work was not performed. BC & D Oil and Gas Corp. purchased the lease August 1, 1994. BC & D is currently evaluating this property to determine what type work should be proposed. We expect to have the evaluation complete by early June, 1995, therefore request an extension to the sundry notice. BC & D will notify you of their position on this project at that time.
