Dear Lonnie:

We have received copies of Federal Application for Permit to Drill for the #1 Chase-Hansen well located 200 feet from the North and 200 feet from the West lines of Section 6-17N-8W. You have stated that permission for the unorthodox location was approved by the State in 1953. I presume from this that you have a copy of the order granting this approval. Will you please send me the Order number in order that we may verify your claim.

Upon receipt of this order I will check with our legal department in Santa Fe to determine if the approval is still valid.

Yours very truly
