Place

9/7/49

Date

OIL CONSERVATION COMMISSION,
Santa Fe, New Mexico.

Gentlemen:

Following is a notice of intention to do certain work as described below at the

PETROLEUM PRODUCTS MFG. AND PRODUCING CO.

Company or Operator

Lease

Well No. 19 in SW SE

of Sec. 36, T. 18 N, R. 9 W, N. M. P. M., Hespah Field,

McKinley County.

FULL DETAILS OF PROPOSED PLAN OF WORK

FOLLOW INSTRUCTIONS IN THE RULES AND REGULATIONS OF THE COMMISSION

In an effort to cement the leaky casing in the above well, after the cement was placed in the well they had the misfortune of dropping the tubing which cork-screwed at the bottom and, before they were able to rig up the fishing equipment to get the tubing out, the cement had setup to the point where they were unable to pull same.

We have made several attempts to clean up this job but have been unsuccessful. The well is plugged with cement and I would like to have it declared officially plugged.

An enclosing herewith Notice of Intention to Redrill the well on approximately the same location - calling the new well No. 19A.

Approved 9-10-, 1949
except as follows:
