SW $\frac{1}{4}$ Section 13-18N-10W*

Gentlemen:

Federal notices filed in this office indicate that the above well was drilled to total depth of 440 feet. We have also received copies of Federal notices showing that you intend to plug and abandon this well; however subsequent report on plugging was never filed with the U.S.G.S. Office. Also the Federal Well Record form has never been filed.

Will you please file 5 copies of the abandonment report and 5 copies of the Well Record form in order that they may forward copies to this office.

Yours very truly
