Dear Mrs. Ferris:

Enclosed is the \$500.00 bond form which I promised to mail to you. Please take this form to a bonding company and have it executed according to the instructions. It should then be mailed to the Oil Conservation Commission, Box 2088, Santa Fe, New Mexico 87501.

I am also enclosing four copies of form C-104 which we have completed for you. I have left blank the line for authorized transporter as I did not know if or when you might plan to possibly sell some oil. If you know who would be hauling for you, please put their name in the proper blank and we will send an approved copy to them, as the hauler must have an approved copy in order to haul.

Please sign all four copies of the forms in the lower left hand corner and return them to this office.

I am happy that we have been able to make arrangements for you to take the well over and I am hopeful that it will be financially profitable for you.

Anytime that we can help you any way, please do not hesitate to contact us.

Yours very truly,

Emery C. Arnold  
Supervisor, District #3

Dear Sir:

Enclosed for you are two copies of a report on the oil conservation work of the Commission during the year 1953. The report is a summary of the work of the Commission and is intended to provide you with a general idea of the work of the Commission.

The report is divided into two parts. The first part is a general statement of the work of the Commission during the year 1953. The second part is a detailed statement of the work of the Commission during the year 1953.

I am sure that you will find the report of interest and that it will provide you with a general idea of the work of the Commission.

Very truly yours,  
J. H. ...
