Dear Mrs. Ferris,

Enclosed is your approved copy of Commission form C-104 transferring the # Ferris well to your ownership.

You have inquired as what oil transporter is nearest your operation. I have checked our records and find that Plateau Refining is picking up the oil from the old Red Mountain Mesaverde Pool which is now operated by Chaco Oil Company. As this is not too far from Seven Lakes I believe this would be the best place to look for an oil transporter when you are ready.

At such time as you have decided to designate an oil transporter you should again file four copies of form C-104.

Anytime I can be of help to you please do not hesitate to call on me.

Yours very truly,
