NOTICE OF INTENTION TO ABANDON WELL.....			

(INDICATE ABOVE BY CHECK MARK NATURE OF REPORT, NOTICE, OR OTHER DATA)

MAY 27, 1957

19

Well No. 1 is located 660 ft. from N line and 660 ft. from E line of sec. 6

SW/4 SW/4 20N 10W
(1/4 Sec. and Sec. No.) (Twp.) (Range) (Meridian)
WILDCAT MCKINLEY NEW MEXICO
(Field) (County or Subdivision) (State or Territory)

The elevation of the derrick floor above sea level is 6307 ft.

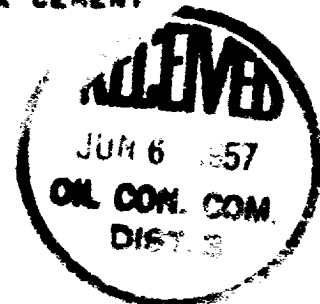

DETAILS OF WORK

(State names of and expected depths to objective sands; show sizes, weights, and lengths of proposed casings; indicate mudding jobs, cementing points, and all other important proposed work)

GALLUP FORMATION EXPECTED AT APPROXIMATELY 2800 FEET.

33 FEET NEW 32# 10 3/4" SURFACE WITH 40 BAX CEMENT

8 3/4" HOLE

I understand that this plan of work must receive approval in writing by the Geological Survey before operations may be commenced.

Company W.E. THOMPSON

Address P.O. Box 1684

WICHITA FALLS, TEXAS

By Jerna M. Lay
Title Sec to W.E. Thompson

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the integrity of the financial system and for the ability to detect and prevent fraud. The document also outlines the responsibilities of the accounting department in ensuring that all transactions are properly recorded and reported.

The second part of the document describes the various methods used to collect and analyze data. It includes a detailed discussion of the different types of data that can be collected, such as financial data, operational data, and customer data. It also explains how this data is analyzed to identify trends, patterns, and areas for improvement.

The third part of the document focuses on the implementation of the findings from the data analysis. It discusses the various strategies and techniques used to implement changes and improve the organization's performance. It also includes a discussion of the challenges that may be encountered during the implementation process and how to overcome them.

The fourth part of the document provides a summary of the key findings and conclusions. It highlights the most important results of the study and discusses their implications for the organization. It also includes a list of recommendations for future research and for the implementation of the findings.

The fifth part of the document is a conclusion. It summarizes the overall findings of the study and discusses the implications for the organization. It also includes a list of recommendations for future research and for the implementation of the findings.

The sixth part of the document is a list of references. It includes a list of all the sources used in the study, including books, articles, and websites. It also includes a list of the authors of the study and their affiliations.

The seventh part of the document is a list of appendices. It includes a list of all the additional information that is provided in the study, such as data tables, figures, and charts. It also includes a list of the authors of the study and their affiliations.

The eighth part of the document is a list of figures. It includes a list of all the figures that are included in the study, such as line graphs, bar charts, and pie charts. It also includes a list of the authors of the study and their affiliations.

The ninth part of the document is a list of tables. It includes a list of all the tables that are included in the study, such as data tables, summary tables, and comparison tables. It also includes a list of the authors of the study and their affiliations.
