Mr. Emery Arnold
New Mexico Oil Conservation Commission
1000 Rio Brazos Road
Aztec, New Mexico

Dear Emery:

Enclosed are six executed copies of the Notice of Intention to Drill and location plats of the Walker Bros. Oil Company No. 8 Santa Fe, (NW SW Sec. 7-T17N-R8W).

I would like to request permission for an unorthodox location due to terrain. Just in back of the well location is a 35' sandstone ridge which on road building would be quite expensive.

Our present plans are to start drilling about the 1st of March.

Very truly yours,

R. E. Lauth
