RE: Plugging Reports

Gentlemen:

Form C-103, Notice of Intention to Plug, your Santa Fe A #1 H-13-17N-9W  
Lease Well No. Unit-S-T-R  
was approved on 6-17-66. Your subsequent notice of plugging cannot be  
approved until a commission representative has made an inspection of the location  
to see;

- (1) all pits have been filled and leveled;
- (2) a steel marker, 4" in diameter and approximately 4' above mean ground level, must be set in concrete, this marker must have the quarter-quarter section or unit designation, section, township and range numbers, which shall be permanently stenciled or welded on the marker;
- (3) the location shall be cleared and cleaned of all junk;
- (4) the dead man wires must be cut.

The above are the minimum requirements.

Please notify us by filling in the blank form below when this work has been done so that our representative will not have to make more than one trip to the location.

insp. 6-24-66
