Dear Mr. Baker:

Our records do not reflect the zone for water production for the above captioned well.

Please advise, in letter form, of the formation from which water production is anticipated.

Yours very truly,

A. R. Kendrick

Attn: Mr. A. R. Kendrick

Dear Mr. Kendrick:

Reference is made to your letter of January 6, 1967, to Mr. R. E. Lauth of Durango, Colorado requesting completion of Affidavit of Responsibility Conversion to Water-Well form. We are enclosing the completed form. Please excuse the delay in sending this form, however, we did complete the form and request that the land owner sign and notarize the form. We have just received the form back from the land owner which accounts for the delay. If we can be of any further assistance, please feel free to call on us.

Yours very truly,

A. D. Baker  
Office Manager
