Aztec, New Mexico

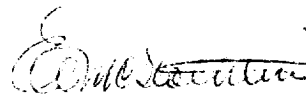

Attention: Mr. Emery C. Arnold

Gentlemen:

Attached herewith are six copies of Form C-101 and C-128 covering the Application for Permit to Drill Well No. 63 for the purpose of water injection into the Hospah Sand located in the Hospah Field. If there are any questions in connection with these reports, please communicate with the writer.

For your information, I will be in your area on or about July 13 or 14, and I will contact you at that time to let you know where I will be staying in the event further information is needed in regard to the subject well.

Very truly yours,

E. O. McGlothlin
