Attn: Mr. Emorey Arnold

Dear Mr. Arnold:

Enclosed please find Form C-105, Well Completion or Recompletion report covering Hughes & Hughes ST #1. Since this is a Strat Test it would be greatly appreciated if you would advise us if it is necessary to file a copy of Electric log and, if so, how soon must it be filed? If it is necessary to file the log, is it possible for the information to be held tight until we complete our program?

Yours very truly,

*A. D. Baker*
