17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Tests indicated that commercial oil production from the Hospah sand available at this location. Well 62 is the only one in Unit L and it is desired to complete it as a producer rather than an injection well. It is realized that this well and location must be approved by the Commission prior to being assigned an allowable.

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
