re: Walker Bros. Santa Fe #5

Dear Emery:

E5-17N-8W

Enclosed is another notice of Intention to Drill the
Santa Fe #5 of Walker Bros.

Please note that the location and proposed depth have
been changed; so in essence it is a new Santa Fe #5 well.

On the old application you had stamped that the old
location would expire on 10-31-66 if not drilled. Since
it has expired I wish to use the name Santa Fe #5 and
drill an entirely different well.

Yours very truly,

R. E. Lauth
