joint with

Acres

1. The area is dedicated to the subject well by colored pencil or hatchure marks on the plat below.

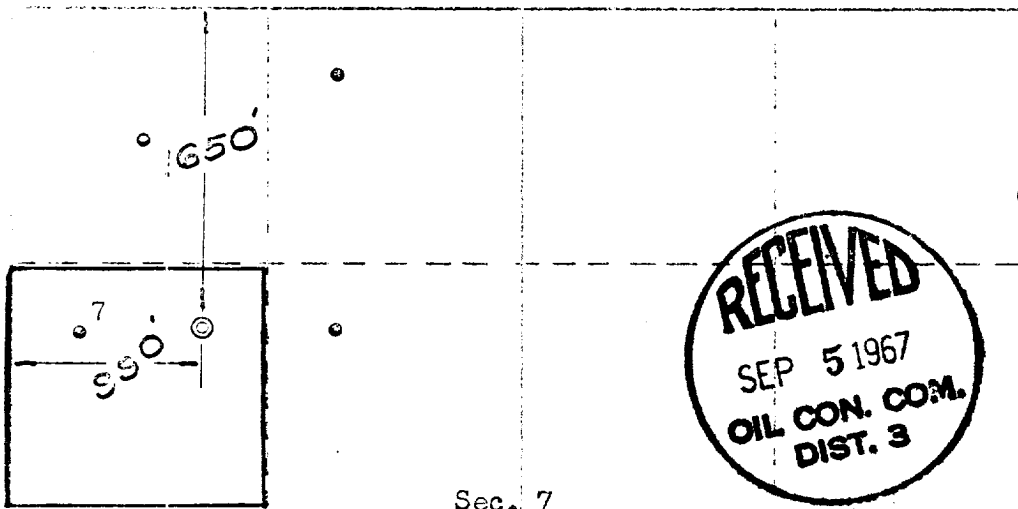

2. If the area is leased to the well, outline each and identify the ownership thereof (both as to working interest and royalty).

3. If there are any leases of different ownership, as evidenced to the well, have the interests of all owners been consolidated by communitization, unitization, force-pooling, etc.?

☐ Yes ☐ No If answer is "yes," type of communitization _____

4. List or list the owners and tract descriptions which have actually been consolidated. (Use reverse side of this plat, if necessary.) _____

5. This area will be assigned to the well until all interests have been consolidated (by communitization, unitization, force-pooling, or otherwise), or until a non-standard unit, encompassing such interests, has been approved by the Commission.
