Gentlemen:

We have information in our file for your #1 Fernandez well located in Unit J, Section 12, Township 14 North, Range 8 West, indicating that the plugging and abandonment was approved by this office. However, we do not have an approved copy of Sundry Notices and Reports on Wells showing approval of your plugging.

I would appreciate it very much if you would check your file and send us a copy of your approved form. If you do not find one, please submit three copies of subsequent notice so that we may relieve your plugging responsibility on this well.

Thank you.

Yours very truly,

Emery C. Arnold
Supervisor, District #3
