RE: Conversion of the Lone Pine
Dakota "D" Unit (LPDDU)
Well Number 11 to gas injection,
McKinley County, New Mexico

Dear Sir:

Tenneco Oil Company as operator of the Lone Pine Dakota "D" Unit, respectfully submits application for administrative approval to convert the LPDDU #11 to a gas injection well. Under terms of Commission Order Number R-4263, Rule 9, the Secretary-Director is authorized to give such approval. In accordance with the aforementioned order and in support of this application, we are attaching the following:

- 1) A plat showing the location of the proposed injection well along with offset data.
- 2) A schematic drawing of the proposed injection well, fully describing its mechanical configuration.

Since there are no offset operators within one-half mile of the proposed location, other than the Unit Operators, it is requested that the Secretary-Director grant immediate approval to this application.
