Memo to well file

Subject: Tenneco Oil Co. SFPRR #4 J-24-17N-9W

This well was P&A in the mid 80's. This well is located in the middle of a producing field. No Subsequent Report of P&A was ever filed and no records are available from this now defunct operator. Field inspections indicate that the P&A is approvable and after investigation we now approve this P&A.

A handwritten signature in dark ink, appearing to read "F. Chavez".

Frank T. Chavez, District Supervisor

Treat this memo  
like a P&A  
report.

Handwritten initials, possibly "JC", in dark ink.
