Re: Lone Pine Unit #4

Dear Mr. Williford:

Testing of the captioned well as required by Order R-4263 is hereby suspended until such time as all physical connections are completed and until the allowable attributed to the well is needed in the unit operation.

The well may be used to monitor the reservoir pressure until such time as testing is required or until production or injection is initiated.

If we can be of further service, please contact us.

Yours very truly,

A. R. Kendrick  
Engineer, District #3
