Craig Co 81265

Re: Jaco 58 and 55Y, D-32-20N-9W

Dear Louis:

We received production reports on the above referenced wells March 28, 1983. You may resume production and haul your oil.

To avoid having the lease shut in and possible legal action in the future, please make sure required reports are filed.

Yours truly,

A handwritten signature in cursive script, appearing to read "Charles Gholson".
