Dear Mr. Howell:

We have received your notice of intention to drill two wells, Government #11X-30 and Government #11X-18, in McKinley County as stratigraphic test wells.

The enclosed copy of a memorandum from Mr. Porter is to remind you of our definition of and requirements for stratigraphic test wells.

Our policy is to maintain the information confidential for a period of one year. You can help us by marking each page you submit "CONFIDENTIAL" in a distinctive color.

If there are questions, please contact us.

Yours very truly,
