Gentlemen;

Ninety days have elapsed since approval of Oil Conservation Commission Form C-101, Application for Permit to Drill, for your well in P-29-20N-9W, Santa Fe Pacific RR #1.

No subsequent reports (OCC Form C-103 or Well Record Form C-105) have been received pertaining to this location.

Therefore, Commission approval of your Form C-101, Application for Permit to Drill, for the location described above, is hereby cancelled. If you desire to drill the well described above, a new Form C-101 must be submitted for Commission approval.

Yours very truly

If you so desire to refile this location you will need to change the lease name. You cannot have two wells with the same name and number and you have a well in M-15-17N-9W which has the same lease name.
