17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

This well was drilled to a total depth of 1212' through the Dakota Formation, having topped the Dakota at 1056'. We propose to set a cement plug from 1012' to the total depth of 1212'. We spudded in the Massive Gallup and penetrated the bottom of this formation at 144'. We propose to set a 50 foot cement plug from 110' to 160' and then a cement plug in the surface pipe and erect a dry hole marker. This work is to be performed on October 4, 1971.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
