Mr. Jerry Long
U. S. Geological Survey
P. O. Box 1809
Durango, Colorado

Dear Mr. Long:

We are submitting the enclosed form for permit to drill our Hanson #24 in our Hospah Dakota "D" Extension. We staked the location 300' from the south edge of a drilling unit because of the main Hospah wash. The original stake was within 15' of the edge of the 8' deep wash and did not allow room for a location. We would have to move at least 125' north to allow room for a location out of the wash so we chose to move 50' south toward known production.

Please give us administrative approval for this location as permitted.

Best regards,

J. Harvey Ashford, Jr.
Operations Manager

JHA/mah
Enclosure
