Dear Mr. Ramsey:

This letter confirms our conversation with Mr. Emery Arnold on this date wherein you were assured that the Aztec office of the Commission would approve the Form C-103 which you previously filed on the above-captioned well.

Furthermore, you were assured that it would not be your responsibility to clean and level the location or road.

When the pits which were dug and used by Ramsey Petroleum Company have been filled and leveled, please notify the Aztec office so the location can be inspected.

Very truly yours,

WILLIAM F. CARR  
General Counsel
