Gentlemen:

On March 6 I made demand on you for payment of the face amount of the above-referenced bond. As an alternative, you may hire a plugging contractor to perform the necessary work. To date, I have had no written reply concerning this claim, and the well has not yet been plugged to the Division's satisfaction.

I do not wish to commence any legal proceedings, but it is necessary that this well be plugged in accordance with Order No. R-5597. I look forward to hearing from you at your earliest convenience.

Very truly yours,
