Re: Slick #1 O-7-20N-5W

Gentlemen:

The annual mechanical integrity test on the referenced water injection well indicated a tubing or packer leak. In order to insure the protection of hydrocarbon and fresh water zones, you are hereby directed to initiate remedial action within 60 days. A copy of the annual mechanical integrity test is enclosed for your reference.

Yours truly,

A handwritten signature in cursive script, appearing to read "Carolyn J. Taplin". The signature is written in dark ink and is positioned above the printed name and title.
