Mr. Al Kendrick
Oil Conservation Commission
1000 Rio Brazos Road
Aztec, New Mexico 87410

Dear Sir:

Please be advised that a blow-out preventer has been installed on the rig to be used in the drilling of the following wells:

- 1. Northern Minerals, Inc., No. 1 Moore, Section 3, T17N-R8W.
2. Northern Minerals, Inc., No. 1 Carrica, Section 26, T18N-R8W.

Sincerely,

Northern Minerals, Inc.

Lloyd Davidson
