(Note: Report results of multiple completion on Well Completion or Recompletion Report and Log Form.)

13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

This Sundry is submitted in response to Mr. Duane Spencer's letter dated October 14, 1994 which approved an extension of our shut-in approval until December 9, 1994 for the Federal 15-2H well.

We hereby notify you that production has resumed on the Federal 15-2H well on December 6, 1994. Repairs have been made to our electric generator/engine installation on site and we are still working on the water disposal system to bring it on line. We expect to be back in full operation today.
