Re: Extension of plugging deadline of R-6143

Dear Mr. Kirby:

Your company has had since October to comply with Order R-6143. The area where the well is located is accessible if travel is restricted to the part of the day that the road is frozen. Therefore, this office will grant no further extension to the deadline of February 1, 1980, as set out in R-6143.

If you have any questions, please call.

Yours truly,

Frank T. Chavez  
Deputy Inspector
