Re: State #9, B-28-20N-09W

Dear Mr. Law:

I am returning the enclosed form C-104 for the referenced well, unapproved, because there is no allowable assigned to this well. In order to have approval to transport, it will be necessary to do the following:

1. Test the well.
2. Submit a new form C-104, completely filled out, requesting an allowable for the well, based on the test data.
3. After the allowable is assigned, resubmit the enclosed C-104 forms with the correct test data shown in section V, showing change of transporter.

If you have any questions, please call the number listed above for additional information.

Yours truly,

Carolyn J. Taplin
