Mr. Charlie Perrin
Oil Conservation Division
1000 Rio Brazos Road
Aztec, New Mexico 87410

November 13, 2000

Dear Mr. Perron:

This is to inform you that the rods and tubings that are on the locations described on a separate page belongs to the Fernandez Compnay, Ltd. We have not had time to utilize or move them to a different location. The surface belongs to Fernandez Co. where the tubings and rods are located and they are not to be removed by anyone else.

I hope that this information is of use to you.

Sincerely yours,

A handwritten signature in dark ink, appearing to read 'Harry F. Lee, Jr.' with a stylized flourish at the end.

Harry F. Lee, Jr.
