Dear Jeff:

I am enclosing the C-115's and the C-103's that you and I have discussed over the last several weeks. The combination of these reports plus the ones sent in by Mohamed Zenati take care of the back reports. Additionally, I have spoken to the surveyor, Mr. Ed Risenhoover in Farmington, and he assures me that the location problem between State #21 and #5 is correct and that they are 10 to 15 feet apart.

I know that I speak for Lloyd and Mohamed in expressing our appreciation to you for your cooperation in these matters and we certainly look forward to working closely with you in the future.

Sincerely,

RED MOUNTAIN ASSOCIATES
