Re: Crownpoint #1 F-18-18N-13W

Dear Mr. Heison:

It is apparent to this office that no effort will be made to complete the above referenced well. As you are aware, this well lies within the Gallup Water Basin. In order to prevent the possible contamination of fresh water, you are hereby directed to submit a plugging program to this office within (30) thirty days.

Very truly yours,

A handwritten signature in cursive script, appearing to read "Charles Gholson".
