Re: Violations of NMOCD Rules & Regulations

Dear Jeff:

Enclosed is a copy of a registered letter I sent Mr. Louis M. Wyman on October 12, 1984, directing him to file reports on a well he drilled and plugged in McKinley County. As I have had no reply from Mr. Wyman, I wish to turn the matter over to the legal department, to take whatever action you deem advisable.

Mr. Wyman has sold all of his production in New Mexico. However, his \$50,000 blanket bond has not been cancelled.

Yours truly,
