Re: Santa Fe Railroad A #92, P-1-17N-9W

Dear Mr. Perez:

A C-105 is still needed on the referenced well. Even though the well is plugged and abandoned, a completion report with casing, total depth, etc. has to be filed. A sample C-105 with the questions that need answered circled in red is enclosed.

Yours truly,

A handwritten signature in cursive script that reads "Jeff A. Edmister".
