Gentlemen:

Reference is made to your Application for Permit to Drill (APD) well No. 1 Brown Federal 1 "N", SE $\frac{1}{4}$ SE $\frac{1}{4}$ Sec. 35, T. 19 N., R. 8 W., McKinley County, New Mexico, lease NM-24971. As discussed with Dunk Pulliam of your company on March 5, 1984, the subject APD is hereby rescinded and returned due to drilling operations not being commenced within a six month extension period following the original approval date.

You are required to request surface rehabilitation instructions from this office if construction activities occurred on the referenced drill site. If this office does not receive comments within 15 days, it will presume that no construction occurred and proceed accordingly. Later discovery that construction activities have in fact occurred, will result in an assessment.

Sincerely yours,

Mat Millenbach
