7. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

On November 9, 1983 we received approval to drill this well. We find it necessary to make the following changes to our intial proposal:

We will drill a 6 3/4" hole to TD rather than 7 7/8".
We will run a 4 1/2" csg to TD rather than 5 1/2".

The rest of the plan remains unchanged.
