Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

We have put the above well on to pump. We ran 2"x1½"x12' RWAC pump & 5/8" rods, on 9/6/88. Pumping unit was set and started to pumping on 9/8/88. Well is making 90 barrels of water per day with a trace of oil. We plan to pump well for three months to help evaluate the field.

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
